

# LifeSpan in the Community

## CCAC South Campus Career Fair

**Christine Davis**  
Human Resource Director

**Darlene Hart**  
Social Services Director

*On Monday, November 4th, Christine Davis and Darlene Hart represented LifeSpan at the Career Fair at CCAC South Campus.*

*CCAC Career Services and Job Readiness South Campus held an employer event that encouraged all students to attend to learn more about current open positions, future hiring needs, and what skills and experience are needed.*

*LifeSpan was among twenty employers in attendance that varied in the fields of healthcare, non-profits, and manufacturing. This was a great opportunity to network and share LifeSpan's mission and services with both students and peers at an in-person event rather than a virtual environment.*
